Legal Liability & Risk Management Institute (LLRMI) Associate providing Risk Management to reduce exposure to liability and provide the best legal expertise when faced with litigation. LLRMI provides a team concept approach to liability with legal expertise for legal and constitutional standards and a subject matter expert in accepted police practices. LLRMI is a network of risk management professionals dedicated to enhancing the professionalism, effectiveness and reducing liability risk through training, policy, procedures, practices and legal support. LLRMI regularly conducts risk assessments of law enforcement agencies to determine gaps in liability exposure. The assessment process involves a review of agency policy and training related to the high risk critical tasks in law enforcement as well as an on-site review of agency operations. While on-site, LLRMI will provide technical assistance through recommendations in order to assist the agency in reducing liability exposure.
